

Command Team Meeting – 13 Feb 22 – 9:45 am

- New meeting with Command Team only and Huneault and Steinbachs
- Sloly – from a wellness standpoint, take a day or two days
- Chief going to leave at 12 noon and not come back until tomorrow
- Steve K – keeping Chief informed over the last 24 and 36 hours
- Three levels of Govt still considering what extent they will implement themselves
- Elements from Federal Gov't – seen one attempt
- Provincially became aware that Sylvia Jones and other Ministers had direct communication with organizers in Windsor
- Two events where Federal and Provincial ministers were involved in direct discussions
- Give as context – individual that has some level of
- Agreement in principal of letter that will be cosigned by Mayor and one or more of key organizers that will result in trucks and chattels and conveyances – south of Wellington will move from downtown core and meet somewhere else on a daily basis
- Mayor is trying to communicate with two levels of government
- May happen in the afternoon – might now at all
- Can be shared with IC Team – Trish – can be shared, leave it up to you – no direction or request to change our operations
- Situation awareness only –
- Bell – posture for us – don't change anything – don't have huge enforcement piece – don't brief anyone further
- Trish – have a call in from OPP Provincial coordinator that has been involved in this type of conversation will share
- Maloney – agree not broadly shared but consider the IC be advised of this – doesn't have to be disseminated
- Sloly – would be comfortable with that – won't change his priorities at all
- Bell – Trish – not sure what you are getting briefed on is the same as this – might be FG and PS trying to have letter and the City one
- REDACTED
- Sloly – Trish – whatever help need from Blair, sort out the staffing numbers
- Operational briefing the every Chief of Police and Commissioner got from P. Morris, there is not way for us to police ourselves out of this situation – not enough resources to sustain the current situation – threat intelligence is it is going to get worse in Ottawa – may not have a policing solution at all for what we are currently facing in Ottawa – really need the numbers
- Really have to get clear on what we have fully deployable – no holdbacks have to be fully deployable
- Dunker – what do you want to do about a call to Deans – Sloly – explain we are today and what we are dealing with this
- REDACTED

- Dunker – feel it would help – she cannot share the numbers – not for further dissemination – ensure she knows that
- Copy everyone in on your email so full line of sight
